The Directorate of Vigilance and Anti-Corruption had received two petitions dated 20.05.2019 and 15.07.2020 sent by Thiru M.Appavu, Ex.MLA., Radhapuram Constituency (Now Hon'ble Speaker, Tamil Nadu Legislative Assembly) against A-1 Thiru S.P.Velumani, Formerly Minister for Municipal Administration, Rural Development and Implementation of Special Programme and others. Government, Public (SC) Department has accorded permission in the letter No.AC/291-11/219 dated 01/09/2021 to conduct a Detailed Enquiry on the allegations. A Detailed Enquiry DE.53/2021/PUB/HQ was registered on 07/10/2021 and taken up for investigation.</p> <p>2. In both the above petitions, it is alleged that A-1 Thiru S.P.Velumani S/o E.A.Palanisamy hatched a plan to swindle public money in the name of replacing the old street lights with LED lights at village Panchayat Level under the guise of reducing electricity consumption and annual maintenance of street lights during the year 2015 to 2018 in phased manner. To execute his plan, he made Hon'ble Chief Minister to announce the scheme of replacing street lights with LED lights on the floor of Assembly under Rule 110 of Tamil Nadu Legislative Assembly Rules since the members of the Assembly has no right to question or seek explanation of the scheme. Thiru S.P.Velumani constituted a State Level Committee to fix cost of LED lights for each financial year and to frame terms and conditions of tenders. The State Level Committee framed terms and conditions so that the men of Thiru S.P.Velumani get contract for replacing lights at District</p>

4. In the course of Detailed Enquiry following facts were revealed which discloses prima facie information of cognizable offence warranting registration of criminal case.

5. A-1 Thiru S.P.Velumani, S/o Thiru. E.A.Palanisamy is a politician and an incumbent Member of Legislative Assembly from Thondamuthur Assembly Constituency, Coimbatore District. He was the cabinet Minister for Municipal Administration, Rural Development, Corporations and Panchayat Unions, Poverty Alleviations Programmes, Rural Indebtedness, Urban and Rural Water Supply and Implementation of Special Programme from 2014 to 2021. He is a public Servant as defined u/s 2 (c) of Prevention of Corruption Act, 1988.

6. A scheme of replacing street light in rural areas with LED light was introduced in the financial year 2015-16 in Rural Development and Panchayat raj considering the increased electricity consumption and maintenance expenditure of street lights system for efficient use of street lighting. It was implemented in phased manner during the financial years 2015-16, 2016-17 and 2017-18.

7. The scheme was implemented after the announcement of Honourable Chief Minister in the floor of Tamil Nadu Assembly under rule 110 on 03/09/2015 that 8 lakh street lights will be replaced with LED lights in rural areas at the estimate cost of Rs.300 Crore. Draft Guidelines were prepared by Director, Rural Development and Panchayat Raj for the implementation of the scheme and forwarded to Secretary to Government, Rural Development and Panchayat Raj Department, Secretariat, Chennai-9 on 29/10/2015 along with technical specification for the proposed LED street lights. Based on the letter from Director, Rural Development and Panchayat Raj vide Letter No. Roc. 39116/2015/PR-I 3-2, dated 29.10.2015 a G.O (Ms) No.19 dated 02.02.2016 was issued for sanction of funds and guidelines to be followed in replacement of street lights with LED lights in rural areas during the financial year 2015-16. A detailed guidelines and technical specification for the implementation of the scheme were annexed to that G.O.

8. Two more announcements were made in the assembly during the financial year 2016-17 and 2017-18 for replacing existing tube lights and Mercury vapour, Sodium Vapour, balance tube lights with LED lights respectively and GOs were issued for allotting fund and issuing guidelines. As per the announcements in total Rs. 875,70,06,076/- was sanctioned for the implementation of the scheme.

9. In May 2014, A-1, Thiru.S.P.Velumani had assumed charges as the Minister for Rural Development. Being Minister, he is the administrative head of the Rural Development and Panchayat Raj Department. During the implementation of the scheme, he had willfully abused his official position in causing injudicious award of the tenders in connivance with the unknown officials of the District Level Committee of members thereby causing undue pecuniary advantage to the alleged companies / firms.

10. While awarding the tenders, the tender inviting/tender evaluating/Accepting authorities of District level Committee have violated Tamil Nadu Transparency in Tenders Act,1988 and Tamil Nadu Transparency in Tenders Rules 2000 under the influence and directions of A-1 in the capacity of Minister for Rural Development Department

11. On perusing the documents pertaining to the tenders of replacing street lights with LED Lights of Salem, Dharmapuri, Trichirapalli, Nagapatinam and Kanyakumari districts it was found that 1.KCP Engineers Pvt Ltd, 2.Ace Tech Machinery components India Limited, 3.C.R. Constructions, 4.M/s.RajaRajeswara Constructions, 5. M/s.R.Krishnamurthy & Co have been awarded tenders violating tender conditions without proper scrutiny of the documents submitted by them.

12. The details of EMD amount submitted by the bidders in the tenders of above said 5 districts were obtained from their respective bank accounts. It was ascertained that the successful bidders KCP Engineers Pvt Ltd in salem district, The Ace Tech Machinery components India Pvt Ltd in Kanyakumari District, M/s. General Enviro Tech PVT Ltd and R.Krishnamurthy & co in Nagapatinam district have submitted their Demand Drafts which was taken from their accounts besides submitting for their counter bidder's EMD. It clearly establishes the collusion and conspiracy at the inception of tenders.

13. The market rate of the LED street light was arrived by collecting tax invoices of the manufactures for the supply of their product to the scheme of replacing street light with LED street light. While comparing the market rate with the rate of LED street light procured through tender it was found that there is vast difference in the rates. The rate of procured street light was abnormally higher than the market rate. When compared the market rate with the procured rate of LED street lights in Salem, Dharmapuri, Trichirapalli, Nagapatinam and Kanyakumari districts it was found that Rs. 74,00,58,700.32/- loss to the Government exchequer.

14. Totally, throughout the state 115 tenders have been floated for purchase of LED street lights from 2015-16 to 2017-18. When analyzing the state wide particulars it was found that there is a pattern in awarding the tenders. In this scheme of replacing LED lights, Murugan Electrical Traders has been as L-2 in 10 tenders and RKM Electricals has been L-2 in 6 tenders in which KCP Engineers Pvt Ltd was the successful bidder. KCP has been successful bidder in all the 16 tenders participated in the scheme. Orient poles has been as L-2 in 9 tenders out of 10 tenders participated by Ace Tech Machinery components India Pvt Ltd. In this scheme Ace Tech Machinery components India Pvt Ltd has participated in 10 tenders with 100% success rate. C.R.Constructions has participated 3 tenders during 2017-18 among which 2 along with Sabari Electricals and 1 along with RKM Electricals. Also M/s C.R.Constructions has been successful bidder in all the 3 tenders participated by them.

15. Further, Sabari Electricals and KCP have entered into consortium agreement. The total value of their tenders are 166.83 crores and 164.01 crores ie 18.57% and 18.25% of the total tender value respectively.

16. From the above pattern and the consortium agreement made by the KCP Engineering Pvt Ltd and Ace Tech Machinery components India Ltd with Sabari Electricals, It is evident that KCP Engineering Pvt Ltd, Ace Tech Machinery components India Ltd, C.R.Construction, Sabari Electricals, Murugan Electrical Traders, M/s Orient poles and R.K.M Electricals have formed a cartel and shared the tenders among themselves. Totally the above said suppliers have been successful bidders in 67 tenders ie 58% of total tenders and tender amount to the tune of Rs.602.87 crores ie 67.1% of the total amount spent for the scheme.

17. KCP Engineers Pvt Ltd has close association with Tr.S.P.Velumani, Former Minister for Rural Development and Panchayat Raj. One R.Chandrasekar is a close associate of Tr.S.P.Velumani for more than 20 years. He was one of the founders of KCP Engineers Pvt Ltd and also has been partner till 2016 and has been as Director till 26.08.2016. During the time of the scheme he has been holding the post of Youth Wing Secretary, Coimbatore Rural District under the control of Tr.S.P.Velumani. His father Tr.K.U.Rajan is the Proprietor of C.R.Construction. Tenders has been awarded to C.R.Construction eventhough it had not submitted proof for three years experience in the

line of LED lightings. On analyzing state wide particulars of the tender awarded to the suppliers it is found that maximum number of tenders have been awarded to KCP Engineering Pvt Ltd. Out of 115 tenders throughout the state, 16 tenders were participated and all the tenders were awarded to KCP Engineers Pvt Ltd with total value of Rs 164.01 Crores ie 18.25% of the total value of tenders during the three financial years. Further the success rate of awarding tenders to KCP is 100%.

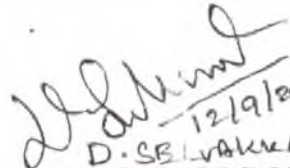

18. Further The Ace Tech Machinery components India Pvt Ltd, a Coimbatore based company, is the third highest company which was awarded tenders in the scheme of replacing LED street lights. Out of 115 tenders, 10 tenders were participated and all the tenders were awarded to The Ace Tech Machinery components India Pvt Ltd ie 8.37% of the total tenders. Even though The Ace Tech Machinery components India Pvt Ltd has not fulfilled the eligibility criteria of tender documents of 3 years experience in LED Lighting it has been awarded tenders in Kanyakumari District.

19. Hence Detailed Enquiry reveals that there is prima facie material available that A-1 Tr.S.P.Velumani S/o E.A.Palanisamy, Minister for Municipal Administration, Rural Development, Corporations and Panchayat Unions, Poverty alleviation Programmes Rural Indebtedness, Urban and Rural Water Supply (TWAD) and Implementation of Special Programme in Government of Tamil Nadu and now Member of Legislative Assembly Thondamuthur Assembly Constituency, had willfully abused his official position in causing injudicious award of the tenders in connivance with District level committee of Salem, Kanyakumari, Dharmapuri, Nagapatinam, Trichy and other districts in Tamil Nadu during the period 2015 to 2018. Further he violated conduct rule 23 of the Tamil Nadu Government Business Rules and Secretariat Instructions which specifically prohibits the Minister in charge of a Department from acting on any matter in which he has a conflict of interest by awarding tenders to KCP Engineers Pvt Ltd and C.R. Constructions who are close associates. Further he had induced the officials through A-3 Tr.R.Chandrasekar, Director of KCP Engineers Pvt Ltd to perform the public duty improperly and dishonestly in anticipation of undue advantage from the contractors and their associated entities such as M/s. ACE Tech Machinery Components India Pvt. Ltd., Sabari Electricals, M/s. Murugan Electrical Traders, M/s. Orient Poles, M/s. R.K.M Electricals and others.

20. The prima facie material reveals that the same Modus Operandi might have been followed in the other districts to swindle the public money and caused loss to the Government exchequer.

21. The prima facie material reveals that A-1 to A-10 and other officials involved in the execution of the scheme and contractors conspired together to obtain wrongful gain from the amount allotted for the above said scheme. In pursuance of conspiracy they violated tender guidelines and allotted tenders mostly to the benami entities of Tr.S.P.Velumani, former minister for Rural Development and Panchayat Raj by fixing higher rate for the LED street lights than the original rate without comparing the prevailing market rate and caused loss to the exchequer. On sample verification of five districts it is found that they caused loss to the tune of Rs.74,00,58,700.32/- to the Government Exchequer in Rural Development and Panchayat Raj Department. Hence it appears that they have committed offence u/s 120 (b), 409, 420 IPC 13 (2) r/w 13 (1) (c) & (d) Prevention of corruption Act,1988, and 13 (2) r/w 13 (1) (a) Prevention of Corruption Act, 1988 as amended by 2018 Act.

22. Therefore this FIR is being registered after obtaining prior permission from the competent authority u/s 17(A)(1) of Prevention of Corruption Act,1988 as amended 2018 vide Public (S.C) Department Letter No.AC/291-13/2019, dated 09.08.2022. This day 12/09/2022 at 14.30 hrs, I am registering a case in DVAC Head Quarters Cr.No.05/2022 u/s 120 (b), 409, 420 IPC 13 (2) r/w 13 (1) (c) & 13 (2) r/w 13 (1)(d) of Prevention of corruption Act,1988, and 13 (2) r/w 13 (1) (a) Prevention of Corruption Act, 1988 as amended by 2018 Act against the marginally noted accused and taken up investigation. The original FIR is submitted before the special Judge, Special Court for the cases under Prevention of Corruption Act, Chennai.
