**ATTACHMENT OF COLUMN NO.12 OF THE FIRST INFORMATION REPORT
IN VIGILANCE AND ANTI – CORRUPTION, SALEM DETACHMENT CRIME
NO.05/AC/2022**

During the collection of sources, the following information was gathered against the officers noted in the column No.7

The A1 noted in the margin Tr.P.K.Senthilkumar is employed as Deputy Registrar in the O/o the Controller of Examinations, Periyar University, Salem from 14.7.2016 to till date.

A2 Tmt.R.Premarani is employed as Assistant Registrar in the O/o the Controller of Examinations, Periyar University, Salem from 04.01.2016 to till date. They are all public servants as defined u/s 2(c) of the Prevention of Corruption Act 1988.

Periyar University was opened on 17.09.1997 at Salem and started functioning from 01.01.1998 having jurisdiction over the Districts of Salem, Namakkal, Dharmapuri and Krishnagiri in Higher Education. Nearly 107 Government, Government aided, Constituent and self financing Arts and Science Colleges are affiliated to this University with a strength of more than 1,00,000 students both in U.G, P.G and Research programmes. Nearly 34 Research Departments are functioning within the campus. This University is functioning with 160 teaching and 400 non teaching staff. Moreover, the Distance Education programme is conducted by this University under the Directorate of Distance Education of Periyar Institute of Distance Education (PRIDE) throughout Tamil Nadu. There are 60 study centers functioning under this Directorate. The Principal Executive of this University is the Vice Chancellor appointed by His Excellency the Chancellor and Governor of Tamil Nadu. The Registrar is the Administrator of the University appointed by the Syndicate of the University for a period of 3 years. The Controller of Examinations is also appointed by the Syndicate for a period of 3 years subject to extension of one more tenure of office. He monitors the entire

examinations for the regular and distance mode of education in Periyar University. He is the sole authority for (a) preparation of question papers, (b) conduct of examinations, (c) valuation of answer papers, (d) publication of results, (e) sending of mark sheets and Provisional Certificates and (f) awarding the Degrees. The name and fame of any University goes by the functioning of the office of the Controller of Examinations.

It is further gathered that the Periyar University normally follows double valuation systems in the M.Phil., examinations being conducted every year. The candidate must get 38 marks out of 75 marks in theory examinations to get pass and the remaining 25 marks will be given as internal marks and totally 50 percentage of marks must be obtained to get pass. The average of marks awarded in theory in the 1st and 2nd valuations is taken into account as final marks. If there are more than 10 marks difference awarded by the 1st and 2nd valuation, the camp officer and camp superintendent should conduct the 3rd valuation and the marks awarded by the examiners in the 3rd valuation will be considered as final. Subsequently, marks are entered in the foil sheets by them.

After completing all the valuations, the marks awarded by the Examiners in the foil sheets, will be scrutinized by the Scrutiny Committee appointed by the Controller of Examinations with the approval of the Vice-Chancellor and thereafter they were handed over to the office of the Controller of Examination. Then the marks are directly entered in the computer by the non-teaching staff working in the office. Then, the list of marks entered in the computer was taken print out and kept ready for verification by the respective Deputy Registrar and Assistant Registrar working in the office. After confirming the similarity of the marks in the foil sheets and computer printout, the Deputy Registrar and Assistant Registrar should publish the results through e-mail/ Galley to the respective Colleges.

It is gathered that during the year 2018, M.Phil., examinations were conducted for the respective subjects in the affiliated / constituent colleges of

Periyar University namely (1) Padmavani Arts & College for Women, Salem, (2) Arignar Anna College of Arts & Science, Krishnagiri, (3) Government Arts College, Dharmapuri, (4) Selvam Arts & Science College, Namakkal and (5) Vysya College, Salem and the answer sheets were collected from the respective centers by the officials working in the O/o the Controller of Examinations and kept in the safe custody of the valuation hall provided for that purpose. Then, dummy number was assigned to the answer sheets by the officers appointed for the purpose and accordingly, the answer sheets were distributed to the examiners concerned for valuation. After completion of the valuation, the answer sheets were collected from the examiners along with the foil sheets, wherein the marks were entered by the examiners. Accordingly, the foil sheets were handed over to the office of the Controller of Examination.

It is further gathered that A1 and A2 entered in to a conspiracy with intention to award pass marks to 18 M.Phil., Scholars those who had actually obtained fail marks in the M.Phil examinations held in June 2018 by creating forged records and to send the statement of marks to the respective colleges by obtaining undue advantage. Accordingly, marks were entered in the computer galley as if the said Scholars were awarded pass marks, knowing fully well that the 18 M.Phil., Scholars got only fail marks in the above examination. Subsequently, A2 took printout of the statement of marks with the assistance of her subordinates and put her initial in the statement of marks and then affixed the specimen signature of the Controller of Examinations and got the signature of the Controller of Examination through A1 and accordingly, the marks statement were sent to the colleges concerned and they obtained huge sum from them for themselves for the performance of public duty improperly. The details of marks awarded and false entries made by the accused are shown below.

Sl No	Name of the Scholar, college with Reg. No.	Dummy No.	Paper Code	Marks awarded in				Result		
				1 st Valuation	2 nd Valuation	3 rd Valuation	the result Galley (internal + external)	the Statement of Marks Galley	to be given as	actually given as
